

Test Certificate

No. 201103E-003

Product: Gas spring, item-numbers: 10.01.360A, 10.01.370A, 10.01.380A

10.01.360 A	built in sliding door brake 10.01.360 + 10.01.365 + 10.06.365	= up to 30 kg
10.01.370 A	built in sliding door brake 10.01.370 + 10.01.375	= 31 - 60 kg
10.01.380 A	built in sliding door brake 10.01.380 + 10.01.385	= 60 - 180 kg

Tolerances / Characteristics (according to manufacturer):

Temperature range: -20°C up to + 80°C

Durability: depending on the function, series and stroke,
a durability of more than 50.000 cycles is possible.

Application: for indoors
